Our exhibitors have a priority of creating fun, family-friendly layouts. While some layouts have seek and find activities, others have buttons that operate accessories on the layout. Some layouts even give you a chance to take the wheel! Each exhibitor's goal is to entertain visitors of ALL ages. New this year will be a free trackless train ride for all ages!

Brad Deschner, the original show coordinator and founder, states, "We have great exhibitors who are interested in entertaining and educating. That is one of the things that makes the Delavan show special."

The show continues to grow every year, with last year reaching over 4,000 visitors! With free admission, free parking, food and beverages, door and raffle prizes, the Delavan Train Show is guaranteed to provide good, old-fashioned family fun.
