Delavan, WI (November 15, 2018) - People always think that when the colder weather creeps up, everything slows down for the season. This could not be further from the truth in Delavan, WI! Although we do pack up our shorts and store the boats for the winter, November has a lot going on.

Deer Widows' Weekend

The opening of the 2018 deer hunting season is November 17th. For hunters and non-hunters alike, this date means something... the start Deer Widows Weekend! Come hang out at Staller Estate Winery's Ladies Day! Enjoy some wine, and have some fun crafting and painting wine glasses! Guys, as well as gals, can get a taste of autumn by sampling a selection of Sonoma Cellar's favorites at their Autumn Getaway Tasting.
