**Welcome to the 11<sup>th</sup> Annual Delavan Train Show—Free Family Fun Not to Miss!**

Delavan, Wisconsin - February 7, 2018 -- Get your ticket, grab your map, and climb on board to celebrate the 11<sup>th</sup> annual Delavan Train Show, on March 10, from 9 am-4 pm, and on March 11, from 10 am-4 pm, held throughout Downtown Delavan.

Begin your tour of the over 40 train exhibits, many with active operating layouts, at the American Legion Hall (111 S. 2nd Street). Bring your ticket along to get it punched at each of the 18 locations throughout Downtown Delavan. Each location is within walking distance, or you can hop on the trolley to get you around in style. New this year will be an exhibit by the Center for Railroad Photography & Art ([www.railphoto-art.org](http://www.railphoto-art.org)), with a photography exhibition titled "Faces of Railroading: Railroads and the Making of Madison and Dane County".

Each exhibitor's goal is to entertain visitors of ALL ages. Our exhibitors have a priority of creating fun, family-friendly layouts. While some layouts have seek and find activities, others have buttons that operate accessories on the layout. Some layouts even give you a chance to be the train engineer! This might even give you the idea of how to start your own model train hobby.

The Delavan Train Show continues to grow every year, with last year reaching over 6,000 visitors! With free admission, free parking, food and beverages, and door and raffle prizes, the Delavan Train Show is guaranteed to provide good, old-fashioned family fun.
